I am writing to introduce Anele Health and Beauty, a Care Quality Commission (CQC) registered clinic offering our BLS training courses, designed to equip your team with essential life-saving skills. We offer certified training at highly competitive rates and can provide training both on-site at your premises or off-site, depending on your preference.

Our pricing is as follows:

All our courses are certified, ensuring your team receives high-quality and professional training.

We would be delighted to work with you to deliver this vital training and are happy to discuss any specific needs or schedule that works best for you.

Please contact us to arrange a session or to discuss any questions you may have.
